

Istation's 1,000-Minute Challenge!

Win an iPad Air 2! January 19 — May 30

Contest Details: Istation is launching a new usage contest! Students and their reading teachers will be eligible to receive prizes for student use of the Istation Reading curriculum at school and/or at home. We challenge students to use Istation Reading for one thousand minutes or more between January 19 and May 30. Weekly prizes will be awarded to students and their reading teachers. Monthly and grand prizes will be awarded to students only.

Weekly Prize: Each student who uses the Istation Reading curriculum for 40 minutes or more each week at school or home will have his or her name entered into a drawing. At the end of each week, one student in **grades 3-5** and one student in **grades 6-8** who meets or exceeds the required number of minutes will be randomly chosen to win a \$25 Amazon.com gift card. The winning students' reading teachers will also receive a \$25 Amazon.com gift card.

Monthly Prize: At the end of each month, any student who has used Istation Reading for more than 160 minutes will be entered into a drawing for a \$200 Amazon.com gift card. The contest minutes begin anew at the start of each month, so jump right in and have fun using Istation Reading!

Grand Prize: On June 1, all students who have used Istation Reading for at least one thousand minutes total between January 19 and May 30 will be entered into a drawing for an **iPad Air 2**.

Required minutes are cumulative throughout the month. Students are eligible to win 1 weekly prize, 1 monthly prize, and the grand prize.

Istation Reading is provided to all 3rd—8th grade public school students through Texas SUCCESS. To learn more, visit www.texassuccess.org.
